TUMKUR,
Dated 12th February, '42

4753/L 6 P M

17 FEB 1942

The Minister for Local Self Government,
PUBLIC OFFICES, BANGALORE

Sir,

A plague stricken patient was brought as far back as four days ago (Monday) into this Town from an infected house and Town in Gubbi Taluk

Neither the Municipal authorities nor the District authorities, who informed early had up till now taken steps to remove the patient to a segregation camp or a hut or tent outside the Town limits Just now they afe at it They have merely disinfected the house and getting the patient treated

SECY LA / DEPT
16 FEB 1942
GOVT OF MYSORE

The patient is now in a thickly and closely populated and congested locality which has been a plague spot every time the infection has come into the town The patient's relatives are poor and unable to help themselves

The Town municipality demolished some years ago the segregation camps, and have been uniformly negligent in making any provision for emergencies for a population of over 20000 and a busy town often subjected to plague infection

The Town itself is generally in a congested condition and illkept

May I request you to be good enough to afford immediate and future preventive reliefs in the intrests of the Town's people?

Thanking you,

I remain,
Sir,
Yours Faithfully

G Venkatachar
Advocate 12/2

Western Extension,
TUMKUR

The President,
Town Municipal Council,
TUMKUR.

The Deputy Commissioner,
Tumkur District,
TUMKUR

Sir,

With reference to your Office No. A6 C.3442/41-42 dated 4-3-1942 forwarding copy of letter No L.7772/E.N. dated 26-2-1942 from the Law Secretary and calling for a report regarding the segregation of a plague infected patient in western Extension, I have the honour to state that on receipt of the information at 3 p m. on 11-2-1942, the Chief Officer of the Municipality went along with the Sanitary Inspector to the District Medical Officer ~~with the Sanitary Inspector and~~ informed him about the Case With his instructions a Doctor was taken to the patient's house The Doctor declared that the patient was suffering from Plague. The patient by name Anantamma aged about 60 years was brought from Kadaba an infected locality on the 10th evening Immediately the house in which she was living in the Western extension of this Town and the surrounding houses were got disinfected The segregation camp was in disrepair and the same was got repaired. On the 12th morning all the inmates of the house were got inoculated. Some few children of the neighbouring houses also were got inoculated. The patient was removed to the segregation camp on the evening of the 12th February 1942 A special watchman was employed The condition of the patient on the 13th morning was reported to be satisfactory All precaution had been taken to check the spread of the infection and instructed the staff to ~~clearly~~ closely watch and report if any person from infected area are coming to the Town

The patient died in the segregation camp on the 13th right. All the cloths were got burnt so that infection

P T O

may not be ~~come~~ Bringer into the Town. All possible steps were taken with out delay, to arrest the disease the petitioner has requested is herewith returned

I have the horour to be,
Sir,
Your most obedient servant,

R Venkatarao

Sir

Re Action taken in dealing with a plague patient in Tumkur Town

---

With reference to your letter No L 10049/41 119-41-104 dated 21-4-1942, observing that the report is silent as to when the plague epidemic broke out in Kadaba etc , I have the honor to forward herewith, in original, the report received from the Amildar, Gubbi Taluk, in the matter

I may add that instructions conveyed in your letter under reference, have duly been communicated to all the concerned officers for taking necessary prompt action in future and to the enforcement of the provisions of the temporary Plague Regulations

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District

AD 2/9

From,

The Amildar,
Gubbi Taluk

To
The Deputy Commissioner,
Tumkur District,
Tumkur

No 97/41-42.

Sir,

In obedience to order no A6 3442 of 41-42 dated the 15th June 1942 calling for a report as to the action taken in the matter of out break of plague in Kadaba etc, I beg to state that soon after the receipt of the report regarding out break of the epidemic, immediate information was sent to the sub-assistant surgeon Kadaba to take immediate action for inoculation work etc in the meanwhile the local revenue officers and village panchayet were asked to make necessary arrangements to disinfect the infected localities and for the early evacuation-

of the Village A large number of persons were inoculated by the local doctor and all precautionary measures were adopted by the Village panchayet to check the spread of the epidimic

Post regarding removal of patient from Kadaba Village, it was not brought to the notice of the undersigned by any of the local Village officers The local Revenue Inspector was not in Kadaba Village at that time as his daughter was attacked by plague and he was residing at a distant place from the said Village Hence the removal of the patient could not be made out

In this connection, I beg to submit that there were not many attacks and deaths in the Village and even among the few deaths many of them were imported cases As necessary precautions were

taken to check the spread of the epidemic immediately and as plague has subsided completely, a report regarding the out break of the epidemic was not submitted. The omission may be kindly pardoned

I beg to remain
Sir,
Your most obedient
servant
